Fenland RC Try a Tri Sept 2015. Excellent results from all on a gorgeous sunny autumn day. Whilst this is not a competitive event!!? I have highlighted the best 3 times for each discipline and given overall position at the end. Well done to Roger on coming first and holding his own in a female dominated field...Also some close finishes further down the field. Mia had the fastest swim and Roger the fastest bike with Michelle the fastest run. I am particularly impressed with Lauren and Sam who I believe have never done a triathlon before. Hopefully some of you will have another go next time (we hope it will be in late April) n.b. Best ever times...swim 2.26...Bike 25.13...Run 16.47..Overall 49.27
